

# YOUR PERSONALIZED TREATMENT

No one will have the same treatment as yours. Every person has different needs and different reasons for enjoying an Herbal-Ice Facial Massage. If you are ready to sculpt your cheeks, neck, forehead or 'double-chin' your Facial Consultant will design a program to meet your exact needs.

Men and women alike benefit from Margarita Aburto Herbal-Ice Sculpting Facial Massage therapy. For several decades these all-natural products have been delivering results to people in both Mexico and the United States without the use of harsh chemicals, electro therapy, toxic injections or surgery.

*"Went in for a facial treatment. The experience was exceptional! ... I could feel the difference. I felt firmer in the areas where we worked on my face. I came away with a clean face, no oils, no greasy moisturizers, just a clean healthy feeling face, that felt tighter and firmer." – Kelly G.*
